

*"If you build it, they will come."*

For more than 25 years, movie buffs, baseball fans and families have visited this one-of-a-kind destination. You can, too. Enjoy the country clean air, bat a few balls, play a little catch, run the bases, or sit in the grass and dream the afternoon away.

And, it doesn't cost a cent. Yes, you may "pitch in" to cover field maintenance and site preservation groom for the next generation or buy a keepsake. But, this experience of baseball in its purest form may be the best bargain you'll ever find.

### **Ghost Baseball Experience**

Several Sundays every summer, you can relive the surreal movie experience of the "ghost" ballplayers emerging from the corn in their vintage baseball uniforms for a real game. It's as if you traveled back 100 years!

## **Dyersville, Iowa** *More than a Movie Site*

Come rediscover America's pastime – baseball – at a place as timeless as the game itself. In America's heartland...at the Field of Dreams, in Dyersville, Iowa.

Universal Studios built the Field of Dreams movie site in 1988 for the iconic Academy Award-nominated film of the same name. With its corn rows beyond the outfield and stately Lansing family farm house presiding over the happy innocence on the diamond, the Field of Dreams movie site is a little piece of heaven where nothing compares to sitting on a bleacher or enjoying a simple game of catch.
